## Extension of assignment: Quality assurance re-views of SKB's copper corrosion experiments

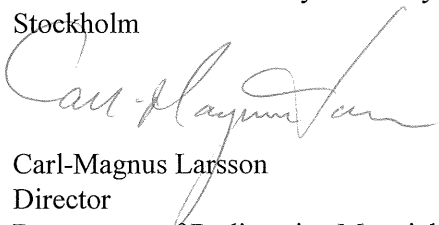

Referring to Your proposal 0934-P2 dated 2010-01-27, The Swedish Radiation Safety Authority (SSM) hereby authorises a cost increase of 62640 SEK for work under the current SSM contract (SSM Dnr 2009/4300) with SSM project number 1777). The additional cost shall cover attendance at and reporting from the meeting planned in Stockholm March 10-11 2010 and reporting in accordance with Your proposal.

The order, with the specifications indicated above, is not binding until SSM has received one copy of this order-placing letter, of the two sent, signed by an authorised person or authorised persons at the assignee.

It is necessary to divide invoices for the extended assignment and the remaining costs for project number 1777. Information on the invoice for the extended assignment must include:  
SSMDnr (2009/4300), activity number (3037027-01), and as your reference person "SSMJANLIN2" must be stated. Invoice should be sent to:
