Dear Peer Review Group,

Enclosed you will find the agenda for our meetings.

Next week I will have an extra meeting with the hotel to confirm your bookings.

The hotel will invoice SSM for the rooms after the meeting. SSM will also pay for lunches during meeting days and dinners according to the above. Please respect that any extra orders (e.g. wine or other beverages) must be settled directly with the hotel and may not be put on the room tab.

Best regards,

karin olofsson
