Dear Björn!

I can confirm that the report is missing. This has now been reported as a nonconformity in SKB's management system. Efforts are initiated to make the report available to the NEA IRT and to publish it on the SKB website. I estimate this can be achieved before the end of October.

Essential results from the report P-06-54 are presented and discussed in section 4.3 of R-07-48.

Please convey my sincere apologies for not being able to provide the report promptly.

Best regards

Olle Olsson

Dear Claudio,

I am working on the secondary report and found that P-06-54 (Follin et al., 2006) is not uploaded in SKB's website. Could you please ask SKB to provide me the report?

Best,
