Dear Björn,

Enclosed are my slides as I will use it on the presentation in Stockholm.

I realized that I have to shorten the English part of the lecture in Gimo, because of the need of translation to Swedish. Nevertheless I prefer to use the same slides, but I will not speak to each slide and each part of the slide.

Best

Michael

Hi

David asked me to check if Michael will present the report by himself or if someone else in the team will give a presentation as well. Further, would it be possible to get a copy of Michaels presentation prior to the meeting so that the film team can mix in the Power Point slides in the live presentation? It would be great if we could get a copy of the presentation at the latest by Tuesday morning.

Best regards

Björn
