14:30 **18. TRANSVERSAL THEME 7: FLYERS and LEVERAGED REPORTS**
D *FSC Chair*

18.a Flyers - General

Oral report

Members are asked to review the existing flyers before the meeting (<http://www.nea.fr/rwm/fsc>). In particular, they should evaluate the “identity” flyer. It was originally published in May 2008 and may need updating. Are members still happy with all the text in 2010?

Which efforts should be devoted to generating new flyers? Which member institutions can “adopt” a published FSC report and produce the associated flyer?

18.b 10-Year Flyer

Draft Flyer

The draft 10-Year Flyer was sent out on 26 August for quick comments before its finalization in time for the 10-Year Anniversary Colloquium. The final draft will be presented.

18.c Leveraged reports

Are there transversal reports that members can submit that the FSC may augment and disseminate broadly (as we did with “Partnering”)?
